Thank you for your interest in becoming a member of For Youth Initiative (FYI). We are a non-profit, charitable organization operated by-youth for-youth. FYI was incorporated in 2000, acquired charitable status in 2004 and became a United Way Member Agency in 2005.

Organizational Background

FYI aims to encourage civic engagement and increase access to educational, recreational, economical and cultural opportunities for marginalized and at-risk youth. Through our programs and services, the youth we serve gain self-confidence, are surrounded by positive mentors and develop critical life skills. We are also committed to educating the broader community and advocating on the issues of inner city youth to help reduce stereotypes that pose as barriers to their success.

We are always grateful to community members, funders, supporters and current as well future FYI members, for their support in helping us reach a level of sustainability where we can continue to achieve our goals.

What We Gain From Your FYI Membership

Your subscription will enable us to build a strong membership base while giving you a sense of ownership to this vibrant community organization. Members of FYI, who are above the age of 18, are granted voting privileges at our Annual General Meeting. Our AGM is usually held in early summer and is a great time for us to showcase our organization's progress and take the opportunity to engage with the community on our plans to move forward in the coming year.

Be Informed!

We would also keep our members informed of events and ongoing changes at FYI. Such communication will take the form of regular contact through email, newsletters, magazines etc.

Win!

In addition to being actively involved with our progress and the development of the youth in our communities, members are also eligible to participate in occasional raffles and take advantage of promotional offers that are made available to FYI throughout the year.

Volunteer!

FYI's members are also encouraged to join our volunteer team and support the organization at various levels. Your participation is welcomed and we look forward to building a stronger community with your support.
