

FOR YOUTH INITIATIVE IN-KIND WISH LIST

Thank you for your interest to invest in the future of underserved youth in our city!

As a for-youth, by-youth organization, most of our in-kind needs are program-related enabling us to provide for the basic needs of our youth, engage new youth, or to provide incentive for their progress and successful outcomes. However, as a growing organization, other needs are related to specific skills or consulting to support our ambitious plans to expand our programs and services, enabling us to serve more youth with greater impact.
